Religion or Relationship? Parish Retreat

Levy Center

300 Dodge Ave, Evanston, IL 60202

Saturday, March 17, 2018

10 a.m. - 3 p.m.

Free. Lenten lunch will be served.

What is the purpose and goal of Christian life? Sometimes we are so busy being “active parishioners” that in our eagerness to serve God, we pass up the opportunity to *know* Him. We *can* respond to the invitation God extends to us into a wonderful friendship with His Son, Jesus Christ (1 Corinthians 1:9) and understand that the freely given love God has for each one of us is the beginning and end of all that matters in life.

Come together for a few short hours of spiritual reflection and discover that

- *Religion as “club membership” is the very thing Jesus spoke against*
- *God’s love calls us into a radical relationship with Him and with one another*
- *Prayer is not just words but a way of life*
- *To be a disciple...develop a disciple’s habits!*
